

## **The Elevator Speech**

Create a short 45 second - 1 minute Elevator Speech about yourself to share with the rest of the class. The speech should tell us about yourself so we can get a better understanding of who you are and how to work best with you in the class.

You will share the speech in front of the class. (You can use notes but try to memorize)

**Your Elevator Speech needs to include the following:**

1. Name
2. Grade Level
3. Subject Areas of Interest
4. What ways do you like to learn? (Ex.) Note Taking, Reading, Projects, etc...)
5. How do you work best? (Ex.) Small Groups, Partners, Independently, Large Groups, etc...)
6. What you expect/want to learn in the class?
7. What do you expect from Mr. Combs?
8. What should Mr. Combs expect from you?
9. Explain how your logo represents you.
